Description: The most thorough book about the Angels yet written! Here, bestselling author Joan Carroll Cruz expounds upon the traditional definitions and delineations of the Angels and Devils, asking and answering virtually every conceivable question about them. Among the many recent books about Angels, this has to be one of the very best, if not the very best...

Review: Although I found the topics interesting, the layout was different. The first portion of the book covers historical descriptions of the angels. The next portion describes several historical angelic encounters. The third section goes on to describe historical encounters with demons by various saints. So far, so good. The last section was much more poorly...
